

# Scratch and Dent cover

Your story matters

# Minor dents

Cover is provided for the repair of minor dents, subject to the vehicle being made of conventional metal which has not been stretched, or the paintwork has not been damaged in any way.

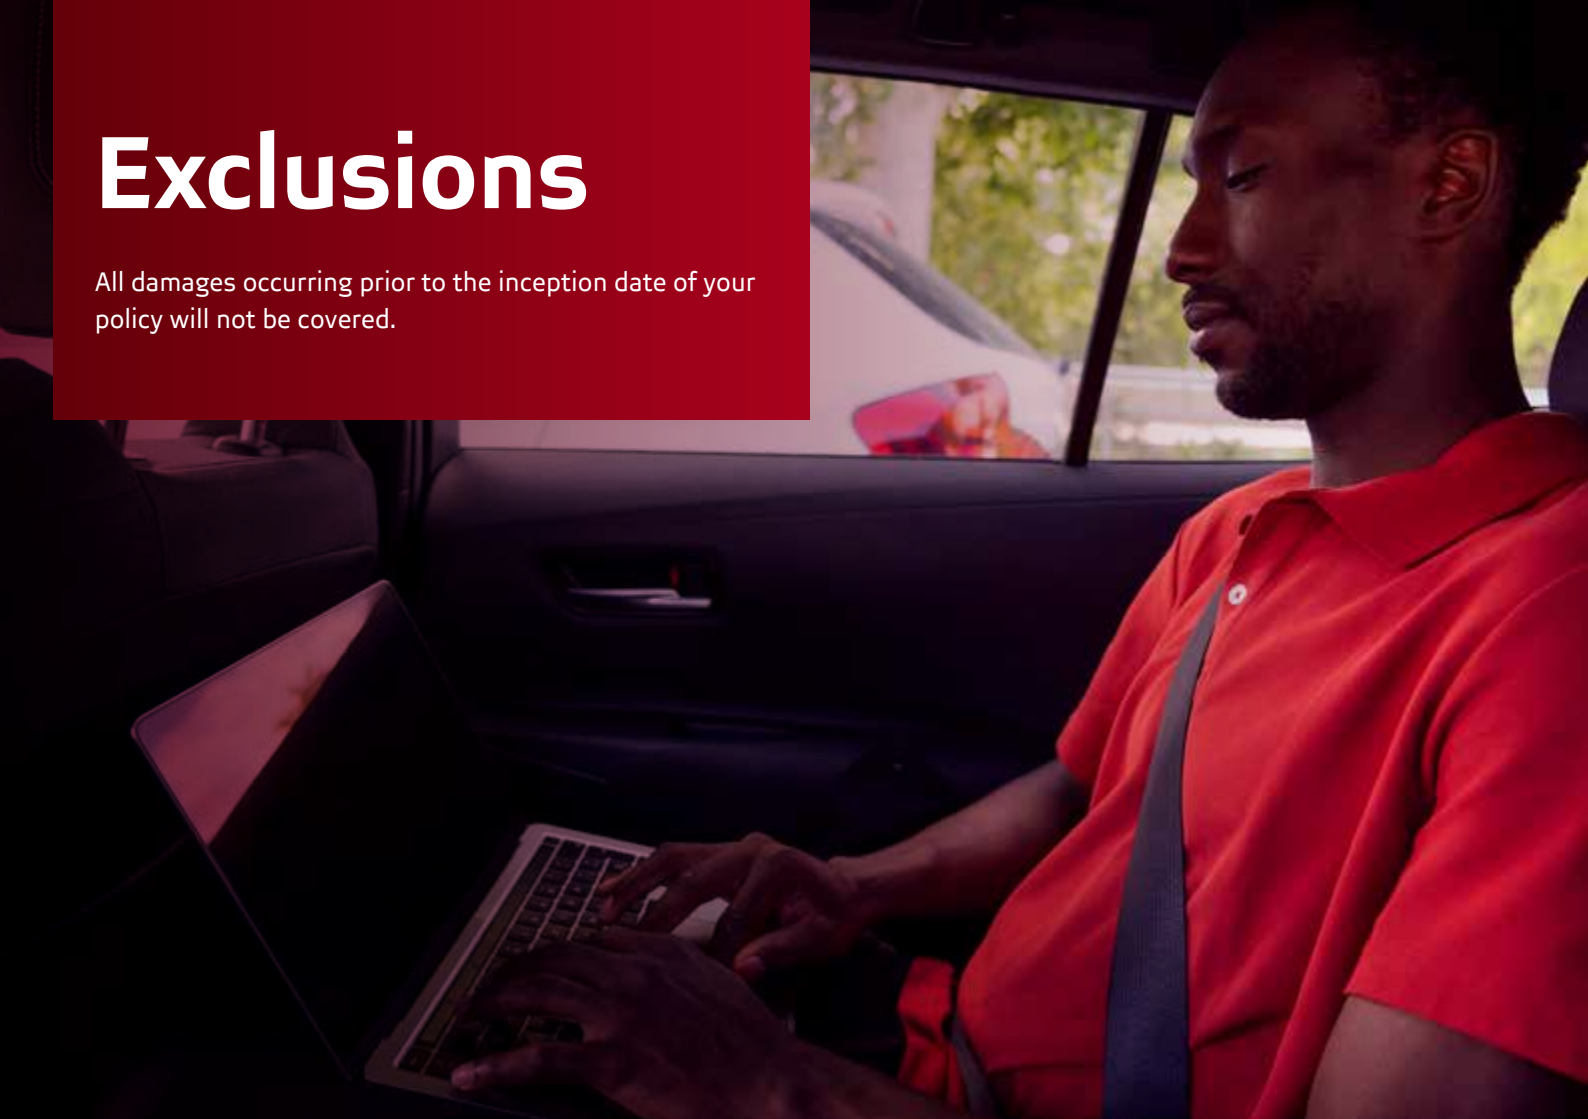

# Tar removal repairs

Cover is provided for the removal of tar from your vehicle, subject to the repair not resulting in the replacement of any vehicle part or body panel.

# Exclusions

All damages occurring prior to the inception date of your policy will not be covered.

# Scratches or chips

Cover is provided for minor chips or scratches, subject to the damages only being in the clear or topcoat of the vehicle, cover is excluded where the undercoat or metal is visible, or where there is any flaking of paint due to rust.

# Rim and Wheels

Cover is provided to restore the outer surface of your vehicle's wheel or rim.

# Cover period

Cover commences on your policy purchase date, after receipt of your policy premium and is subject to their receipt and acceptance of a satisfactory pre-delivery inspection. Your policy is valid for a period of 24 (twenty-four) months or until the maximum policy reached, whichever occurs first.
